

13 sept 2023

A close-up photograph of a lush, green field. The foreground and midground are dominated by tall, slender, green grass blades that stand vertically. Interspersed among these grasses are numerous small, bright yellow flowers, likely buttercups, and a few small purple flowers. The background is a dense, out-of-focus expanse of similar vegetation, creating a sense of depth and a vibrant, natural setting. The lighting is bright, suggesting a sunny day, which highlights the various shades of green and the colors of the blossoms.

Hartelijke dank.
